

# Dr. Friedrich Straub Memorial Vertical Flight Engineering Scholarship 2017

The Arizona Chapter of the American Helicopter Society (AHS) is pleased to announce the competition for scholarship awards to students who demonstrate an interest in pursuing engineering careers in the fixed wing, rotorcraft or VTOL (vertical take-off/landing) aircraft industry.

The scholarships are merit-based and can be awarded once as an Undergraduate, and once as a Graduate student. Applicants must be in school through the full academic year following receipt of the scholarship. The value of the scholarships may range from \$1,500 to \$3,000 depending upon endowment earnings. The recipients will also receive a 1-year membership in the AHS and an engraved plaque.

#### To be eligible for a scholarship, you must

1. Be a full-time student at an accredited school of engineering in the state of Arizona ("School") and be in School through the full academic year (Fall 2017 - Spring 2018).
2. Have a minimum of 60 college credits transferred to or earned at the School.
3. Complete the entire Application for Scholarship (Sections I, II & III).
4. Provide the following Supporting Information: a resume, a reference letter (academic endorsement) from a professor or dean at your School, and a grade transcript from your School (including the most recent set of grades issued). These items need not be submitted with the application but must meet the deadline. (An official grade transcript from the School will be required before scholarship funds can be received.)
5. It is preferred that the Application for Scholarship and Supporting Information be submitted to:
